From Dennis' Book
"Thoughts For The Day"

*Friendship is a living thing that lasts only as long as it is
nourished with kindness, sympathy and understanding.*

*Maybe the biggest problem with loneliness is that we walk
around thinking we're the only one suffering from it.*

*The busier we are, the more acutely we feel that we live,
the more conscious we are of life.*

IT'S THE
FRIENDS
WE MEET
along THE WAY
THAT
HELP US
APPRECIATE
THE journey
