Time cannot steal the treasures that we carry in our hearts,
Nor ever dim the shining thoughts our cherished past imparts.
For the memories of the ones we loved still leas a gentle glow,
To grace our days and light our paths wherever we may go.

*Thank you for your attendance here today in honour of Esme.
Following the service, you are warmly invited to join the family for
refreshments and the sharing of memories in the Sowman Lounge.*

When all my days are numbered
And I'm gone and out of sight.
Don't look down in sorrow
Look to the sky above.

Remember all my good bits
The good times and the love
Remember me with laughter
All the things you liked best.

My life it weaved a story
Laced with wisdom, love and heart.
Now's the story's yours for the telling
So please keep alive my part.

Remember me with feeling
Tell tales of all my love
And I'll live forever more
In your heart.
