*A Happy Life*

A happy life is something,  
For which each of us strives,  
To relish every moment,  
Is to really be alive.  
To let our needs be simple,  
Is a most important goal,  
To be content with what we have,  
Is never to grow old.

A happy life can always find,  
A reason to be glad,  
Discounting the unhappiness,  
That all of us have had.  
Whose eager hands reach out to help,  
Someone else in need,  
Who has no room within itself,  
For pettiness or greed.

*Thank you for helping to farewell Polly today.  
Following the service, please join the family in the  
Sowman Lounge to share refreshments, along with  
your special memories. The interment will follow.*
