THE LORD'S PRAYER

Our Father, which art in heaven
hallowed be thy name,
Thy kingdom come
Thy will be done on earth,
as it is in heaven.
Give us this day our daily bread,
and forgive us our trespasses,
as we forgive them that trespass against us
and lead us not into temptation,
but deliver us from evil for thine is the kingdom,
the power and the glory forever and ever. Amen

*Thank you for your attendance here today in honour of Scotty.
Following the service, please join the family in the
Sowman Lounge for a quick cuppa, followed by refreshments at

WHAT A GOOD BUGGER!

Anything for anyone at the drop of a pin far or near. Expecting nothing in return.
Something that wouldn't go amiss - a cold beer. What a good bugger!

Sometimes naughty in the nicest way. Enjoying the moment with a red wine,
clothes may go astray. What a good bugger.

Managed many a crisis keeping the lights on.
Asset to the navy, leaving with a hard-on. What a good bugger!

Thought his tools in the garage were stolen after the big quake. Weeks later a
huge smile on his face, found mother nature had put them away for F's sake.
What a good bugger!

A committed family man and community focused. Gatherings, sports fields
and many improvements that didn't go unnoticed. What a good bugger!

Who needs a boom-box or band when Scotty's around? He'll sing the lyrics, you
clap your hands or whatever, just make the sound. What a good bugger!

Off to Bathurst supporting the blue oval. Hey Ang, shall we take the car or train?
An experience of a lifetime, shit that was good, let's do it again.
What a good bugger!

Wanna go on a boozy adventure, grabbing a rod saying "come on skip". Fishing on the
Murray and not many caught. Boys wetter than the fish, bugger I missed that trip.
What a good bugger!

Learns anything quickly and able to articulate to others, even a pratt. Still not getting it,
well he knows sign language and you'll understand that. What a good bugger!

Names like Ball Bag and Puss Nuts, laughter can only describe. To understand fully, get
closer and become part of his tribe. What a good bugger!

A checky grin, getting on with the absurd. Always can be counted on, honest and true to
his word. What a good bugger!

Time spent together always valuable and heart felt. In fits of giggles
he lets one slip, man that smelt. What a good bugger!

Straight forward, to the point and down to earth. No malice or belittling,
he makes you feel your worth. Scotty Nimmo, a truly good bastard!
